Every year I come, it's a good exhale
to be surrounded by music and love."
– LSM 2023 student

"It's a lot of fun to be in a
community with people who share
common interests with you, who are
serious about music, but who are
also here to have **fun**."
– LSM 2023 student

"The people I've met
here are so down to earth,
so kindhearted and genuine."
– LSM 2023 student

"The **worship** experience here,
it's like none other, I'll be honest.
It just **feels very inclusive**. I'm so
moved by it."
